

## Standard TERMS AND CONDITIONS OF WEBSITE USE

1. This website is operated by *Neurosoft*, of 466 Irakliou Ave. & Kiprou, 141 22 Iraklio Attikis, Athens, Greece (the '*Neurosoft* or organisation'). *Neurosoft*, through its website, enables the Internet visitor/user to be informed about the organization, its products and services. Please, read carefully the following Terms of Use.
2. Any *user* of *Neurosoft's* website accepts unreservedly, by using the site, the terms and conditions for its use that are set out here. These terms include the legal jurisdiction within which any legal issues arising from the operation of the site may be addressed. Any person who does not wish to accept these terms and conditions or who knows, or ought to know, of any reason why these terms and conditions might not be capable of applying to their purposes, is not authorised to use this site. These terms apply to each and every visit that a *user* may make to this site.
3. By visiting or using this website, *visitors/users* acknowledge that they have read, understood and unconditionally accepted the Terms of Use and agree to be bound hereby. *Neurosoft* may unilaterally modify the present terms at any time, without notice, by announcing any such modification through its website. The use of the website after the announcement of the modification shall be deemed to constitute an acceptance of this modification
4. Security
  - a. Access to the website is provided on the initiative of the *visitor/user* and not on the initiative of the organization.
  - b. To ensure that this website remains available to all *users*, *Neurosoft* may monitor network traffic to identify unauthorised attempts to upload or change information or to otherwise cause damage to the site. Anyone using this site expressly consents to such monitoring.
  - c. Unauthorised attempts to modify, alter, deface, destroy or corrupt any information stored on this site or this system, to defeat or circumvent any security features, to probe, scan or test for vulnerabilities, to breach security or authentication measures, to forge TCP/IP headers, to install or attempt to install unauthorised software, to mount Denial of Service attacks or to utilise this system for other than its intended purposes are expressly prohibited and may result in criminal prosecution.
  - d. Any possible criminal activity will be reported, together with any evidence which may be gathered, to the appropriate authorities.
  - e. *Neurosoft* has made every possible effort to ensure that all security measures have been taken to protect the website against viruses and other malicious software and uses security systems to control access to its web pages in order to prevent attacks and any other unauthorized actions, but it does not warrant that the content of the website will be free from viruses, faults and other harmful components and consequently in no event shall be liable for any damage caused to the abovementioned user's equipment, software and files, as well as for any damage incurred by the user, due to any of the above causes.
  - f. The visitor/user of the website is solely responsible for obtaining and maintaining the necessary equipment (e.g. personal computer), software, telecommunication equipment and any other service needed for access to the site. Users are also responsible for protecting their system against viruses and other malicious software.
5. Disclaimer of Liability

- a. *Neurosoft* makes every possible effort to ensure that all information provided by the website [www.neurosoft.gr](http://www.neurosoft.gr) is complete, accurate, up-to-date and clear, but it does not warrant that all these criteria will invariably be met. *Neurosoft* makes no claims, promises or guarantees about the accuracy, completeness, usefulness or adequacy of the contents of this site and expressly disclaims liability of any sort for errors and omissions in the contents of this site.
- b. Neither *Neurosoft*, nor its *employees*, associates nor contractors make any warranty, expressed, implied or statutory, including, but not limited to, any warranty that third party rights or title have not been infringed, or any warranty of merchantability or fitness for any particular purpose.
- c. No warranty of any sort is made with respect to the content of third party sites that have links from this site and all liability of every sort is expressly disclaimed.
- d. *Neurosoft* is not liable in any circumstances for special, indirect or consequential damages or any damages whatsoever resulting from loss of use, loss of data or loss of revenues or profits, whether in an action of contract, negligence or otherwise, arising out of or in connection with any use of the information and/or services available on this site.

6. Disclaimer of Endorsement

- a. This site, and documents posted on it, may contain hypertext links or pointers to information created and maintained by other public and private organisations. *Neurosoft* does not guarantee the accuracy, relevance, usefulness, timeliness, or completeness of any linked information.
- b. The content of such linked sites is the sole responsibility of the respective third parties providing them. *Neurosoft* does not warrant the availability of such sites and in no event shall be liable for the content, correctness, legality, completeness, actuality and accuracy of the information or the quality and properties of the products or services offered to the public through the aforesaid websites.
- c. The inclusion of links or pointers to other sites is not intended to assign importance to those sites and the information contained in them, is not intended to endorse, recommend, or favour any views expressed, or commercial products or services offered on those sites, or the organisations sponsoring the sites, by trade name, trademark, manufacture, or otherwise.
- d. Reference on this site to any specific commercial products, processes, or services, or the use of any trade, firm or corporation name is for the information and convenience of the site's visitors, and does not constitute endorsement, recommendation, or favouring by *Neurosoft*.
- e. The views expressed by any individual within any web forum are the views of that individual only and do not reflect or represent in any way the views of *Neurosoft*.

7. Copyright

- a. All content on this site, including indicatively but without limitation, trademarks, distinctive titles, texts, news, photographs, images, potential services on offer, is the property of *Neurosoft* and is governed by the relevant provisions of Greek, EU and International Law, mainly concerning Intellectual and Industrial Property, with the exception of protected third party rights, unless stated otherwise.
- b. No *user* may copy, modify, publish, transmit, transfer or sell, reproduce, create derivative works from, distribute, display, or in any way exploit any of the content, in whole or in part, except with the express written agreement of *Neurosoft*.
- c. Exceptionally, limited or isolated copying, printing or storage of parts of the aforesaid content is permitted for the visitor's personal use, provided that it is

accompanied by a clear and distinct acknowledgement of the source of origin and that they will not be used for commercial or other purposes.

8. User Conduct

- a. This website shall be used for lawful purposes only and in a manner that does not restrict or inhibit its use by any third party. The *visitors/users* of the website ought to comply with the rules and provisions of the Greek, European and International Law and the legislation governing telecommunications and refrain from any illegal and abusive/inappropriate behaviour which may have negative consequences for other visitors/users and cause damage to or disruption of the website and by extension to Neurosoft.
- b. In the event of *Neurosoft* finding itself involved in any litigation or required to pay any kind of compensation as a result of a breach by the visitors/users of their obligations, the *visitor/user* shall compensate the organization accordingly.

9. Personal Data

- a. The management and protection of personal data of the visitor/user of our website are governed by the present Terms of Use, the provisions of Greek Law (Law 2472/1997 as currently in force, and the regulatory provisions) and the Decisions, Directives and Regulations of the Hellenic Data Protection Authority ([www.dpa.gr](http://www.dpa.gr)).
- b. Without prejudice to the provisions of the following paragraph, the personal data will not be communicated to any third party unless applicable law requires the disclosure of such data to the competent Authorities and to them only.
- c. The aforesaid data may be stored and processed by *Neurosoft* for communication and statistical purposes as well as to improve potential services on offer. By using this website, the visitors/users give their consent for the use of such data by the organization and/or its associated companies.
- d. This website contains special connections (links, hyperlinks, banners) to other websites operated by third parties. Should the visitor/user of this website choose to follow the links to third party websites, *Neurosoft* in no event shall be responsible for the terms concerning the management and protection of personal data, applicable to linked sites.
- e. Moreover, *visitors/users* of our website have the right to access to data relating to them and the right to object to the processing of such data.

10. Cookies Policy

- a. A "cookie" is a small text file which is sent to and stored on your computer or any other device you may use to access the Internet, each time you visit a website, without gathering any information about the documents or files on your device.
- b. On our website we use "cookies" for many different reasons, with the aim of creating a safer and more efficient environment for our visitors/users. We mainly use "cookies", which are necessary for the provision of services offered through our website, as well as "cookies" used for statistical purposes and matters relating to the functionality of our website (e.g. number of visitors, how many return, frequency of visits, user preferences etc.).
- c. Internet web browsers are usually set by default to accept "cookies". Consequently, if you wish to modify how your browser operates, either to notify you about the use of "cookies" or to block "cookies", you must change your browser's settings.
- d. It should be noted that non-acceptance of "cookies" may restrict the provision of certain services and information by *Neurosoft*.

11. Free services

a. *Neurosoft* might provide a number of free services from its site, such as weekly newsletters, white papers, etc. There is no contract with *Neurosoft* for any free service, so no *user* can become a client by using any free service and *Neurosoft* is not liable to any *user* in any way resulting from use of any free service.

12. Severability

If any of these terms are at any time held in any jurisdiction to be void, invalid or unenforceable, then it shall be treated as changed or reduced, only to the extent minimally necessary to bring it within the laws of that jurisdiction and to prevent it from being void, and it shall be binding in that changed or reduced form. Subject to that, each provision shall be interpreted as severable and shall not in any way affect any other of these terms.

13. No Waiver

No waiver by *Neurosoft*, in exercising any right, power or provision hereunder shall operate as a waiver of any other right or of that same right at a future time; nor shall any delay in exercise of any power or right be interpreted as a waiver.

14. Governing Law

These terms shall be governed by and construed in accordance with the *Greek Laws* and the user explicitly accepts that only the *Courts of Athens* have jurisdiction to deal with any matter arising from or in any way, whether directly or indirectly, related the use of this website and, accordingly, the *user* explicitly waives all and any rights to bring any action of any sort in relation to this web site in any court anywhere else in the world.
