

**Neurosoft's subsidiary KESTREL Information Systems S.A. has been awarded with SNFCC Project**

**Project Title :** Stavros Niarchos Foundation Cultural Center SNFCC Project – Subcontract for ICT systems

**Neurosoft S.A.** - a premier software house, listed on AIM Italia market (GRS802003004, Reuters NRST.MI, Bloomberg NRST:IM) for which *Integrae SIM* is Nominated Adviser – announces its subsidiary's, **KESTREL Information Systems S.A.** award of the SNFCC telecommunications infrastructure works by the Joint Venture of Impregilo S.p.A. and TERNA S.A.

The project awarded, concerns IT and Telecommunications infrastructure equipment and works at the Stavros Niarchos Foundation Cultural Center SNFCC (Data Network System, IP Telephony, Wireless LAN, Servers/Storage, Infokiosks, Thin Clients, Library RFID, IPTV, Private Mobile Radio System). The project entails the design, provision, installation, commissioning and support of equipment and software with the major manufacturers being Juniper Networks and IBM. This effort consists of one of the most important projects started in the midst of the economic crisis and will be the emblem of the Greek National Opera (GNO) and the National Library of Greece (NLG) surrounded by the 170.000m<sup>2</sup> Stavros Niarchos Park, making Athens an even stronger and competitive attraction in the cultural area.

The Stavros Niarchos Foundation ([www.snf.org](http://www.snf.org)) is one of the world's leading international philanthropic organizations, making grants in the areas of arts and culture, education, health and medicine, and social welfare. The Foundation funds organizations and projects that exhibit strong leadership and sound management and are expected to achieve a broad, lasting and positive social impact. The Foundation also seeks actively to support projects that facilitate the formation of public-private partnerships as effective means for serving public welfare. The Foundation's largest single gift (\$796 million / €566 million) is the Stavros Niarchos Foundation Cultural Center (SNFCC), in Athens. The Stavros Niarchos Foundation firmly believes that the project is of national importance, even more so under the current socio-economic conditions. It remains a testament and a commitment to the country's future, at a critical historical juncture. It is also an engine of short – to mid- term economic stimulus, which is essential under the current circumstances. The contract represents a significant development in the Company's overall business in Greece.

**KESTREL Information Systems S.A.** was selected from a list of competitive suppliers to provide SNFCC with its advanced and competitive solutions in such a pioneering endeavour for Greek standards.

**KESTREL Information Systems S.A.,**

Headquartered in Athens, KESTREL Information Systems is a Systems Integrator for Telecommunications solutions, operating in several countries of South-eastern Europe including Cyprus, Romania, Bulgaria, Serbia, Albania and, of course, Greece. Kestrel Information Systems is primarily operating on the sector of Fixed and Mobile Telecommunications Operators partnering with leading worldwide equipment and software vendors. The company is focusing on providing high quality design, implementation and support services to its Customers through its specialized and certified personnel. Kestrel Information Systems is constantly reviewing the international and local market trends attempting to expand its product and services portfolio. Kestrel Information Systems is a partner of Juniper in the region since 2005. Neurosoft since November 2009 holds a 70% stake in KESTREL Information Systems.

**Neurosoft S.A.**, a Greek company listed on the AIM Italia market, organized and managed by the Italian Stock Exchange (*ISIN GRS802003004*, *Reuters NRST.MI*, *Bloomberg NRST:IM*), today is a software provider supplying solutions that optimize business and operational processes with a view to maximize customer profitability. Neurosoft's innovative integrated software systems in factoring, sports betting, business intelligence, liability management, transactional systems, and the implementation of mission critical applications have provided tools to financial institutions, stock exchanges, telecom companies and sports betting operators to increase operating efficiencies, act on well-depicted real-time risk and liability analysis, and increase revenues and bottom line capitalizing on sophisticated predictive analytics. Neurosoft was founded in 1994 and became the first company to be floated in the AIM Italia market of the Milan Stock Exchange in 2009. Based in Athens, Neurosoft has a multinational presence in Romania, Albania, Serbia, Bulgaria and Cyprus. Integrae SIM S.p.A is Neurosoft's Nominated Adviser for the AIM Italia market.
