Neurosoft signs agreement with OPAP

Neurosoft S.A. - a premier software house, listed on AIM Italia market ([GRS802003004](#), [Reuters NRST.MI](#), [Bloomberg NRST:IM](#)) for which *Integrae SIM* is Nominated Adviser – announces the new agreement with OPAP consisted of significant projects on software development in three areas: Business Intelligence, BOLT (Betting Operations Liability Toolbox) and Qualytor.

Neurosoft has been assigned to develop a number of enhancement, additions, extensions and interfaces to third party systems to/from BOLT in order to best serve OPAP's needs on sports betting. The offered services are based on Neurosoft's flexible and efficient technological architecture with complex algorithms providing accurate liability assessment and visual analysis through advanced and improved user-friendly interactive user interfaces. One of the most challenging features of the offered solutions is the ability to integrate with significantly different technological platforms, offering an operator a consolidated view of its operations and liability measures on disperse sites.
