

Neurosoft announces the agreement with Sportingbet and Centric for the joint development and support of a new specialised online sportsbook service

Neurosoft S.A. - a premier software house, listed on AIM Italia market (GRS802003004, Reuters NRST.MI, Bloomberg NRST:IM) for which Integrae SIM is Nominated Adviser – announces the agreement for the joint development and support of a new specialised online sportsbook service on UK jurisdiction, between **Neurosoft SA** and subsidiaries of **Sportingbet** and **Centric Holdings SA**.

The Service to be provided shall be an innovative new sportsbook domain that offers best odds on multiple bets, through pioneering Neurosoft technology. The prices available to customers of the Service for every single event shall be ever improving in line with the number of legs in a multiple. The objective is to offer the best odds available in the jurisdiction and any outcome, versus traditional competitors for multiple bets.

Sportingbet PLC is a leading provider of sports betting, casinos, games and poker on line and on mobile. It was established in 1998 and acquired by Gaming VC in March 2013. It has licences with Alderney, Denmark, Spain, Malta and the UK. Overall, the company has over 4 million registered customers, who place over one million bets (casino, poker, sports and virtual games) per day.

Centric Holdings SA participates in companies that, manage and promote online entertainment services. Centric's subsidiaries cooperate with large online entertainment providers, which are listed on European Stock Exchanges and are licensed to provide these services remotely, in order to jointly provide and promote online gaming platforms in several languages of Central and Southeastern European countries. Centric is listed in the Athens Stock Exchange market since 2002.

Neurosoft S.A., a Greek company listed on the AIM Italia market, organized and managed by the Italian Stock Exchange (ISIN GRS802003004, Reuters NRST.MI, Bloomberg NRST:IM), today is a software provider supplying solutions that optimize business and operational processes with a view to maximize customer profitability. Neurosoft's innovative integrated software systems in factoring, sports betting, business intelligence, liability management, transactional systems, and the implementation of mission critical applications have provided tools to financial institutions, stock exchanges, telecom companies and sports betting operators to increase operating efficiencies, act on well-depicted real-time risk and liability analysis, and increase revenues and bottom line capitalizing on sophisticated predictive analytics. Neurosoft was founded in 1994 and became the first company to be floated in the AIM Italia market of the Milan Stock Exchange in 2009. Based in Athens, Neurosoft has a multinational presence

in Romania, Albania, Serbia, Bulgaria and Cyprus. Integrae SIM S.p.A is Neurosoft's Nominated Adviser for the AIM Italia market.
